## Options

- Four glide options are available (best if factory installed; specify at time of order):
  - Clear polycarbonate glides are recommended for carpet, rubber, or concrete flooring
  - Glides with stainless steel pads are recommended for carpet or rubber flooring
  - Glides with felt pads are recommended for vinyl, cork or laminate flooring
  - Glides with rubber pads are recommended for vinyl, hardwood, laminate, stone or ceramic flooring
  - Tables without glides are suitable for carpet, rubber or cork flooring
- Polypropylene table tops are available in 14 versatile colours: Buzz Blue, Cactus, Carrot, Cloud, Dijon, Eggplant, Fog, Frost, Ink, Latte, Night, Sand, Scarlet and Shadow

## Construction (Table Top)

- 0.5 in (13 mm) thick polypropylene top/modesty panel
- Slightly textured surface
- Molded-in threaded inserts provide secure metal to metal connection with base

## Construction (Base)

- Solid steel frame with chrome finish
- 0.5 in (13 mm) diameter steel rod frame
- Minimal welded joints. Fabricated using a CNC tube bending machine

MODELS DTS1828PG

- Interlocking ganging base allows quick and easy ganging without tools or fasteners

## Weight Capacity

Rated for a weight capacity of 250 lbs

## Warranty

Lifetime warranty on all components except the following:

- Warranty applies only to single shift, standard commercial usage (8 hours/day, 5 days/week)

## Environmental

View [Environmental Data Sheets](#) online.

All foam is produced without using any ozone depleting chloro-flouro chemicals.

## Awards/Certifications

- Meets or exceeds all applicable BIFMA standards for safety and durability
- Manufactured in ISO 9001 and 14001 certified facilities
